

Baker Clause Policy Statement

Introduction

This policy statement sets out The Becket Schools arrangements for managing the access of providers to every student in Years 7 – 13 to discuss both academic and non-academic routes that are available to them as part of a holistic careers programme enabling all our students to make an informed choice about their post 16 and post 18 provision. This is also measured regularly against the careers standards of the Gatsby benchmarks using a Compass Assessment framework and evaluation with students, teachers and SLT as part of a progressive careers programme.

The Becket School proactively seeks to build relationships with 6th form schools, colleges, apprenticeship providers, universities and employers as we plan our careers programme to ensure all our students have access to the most current and up to date careers information. This is done at key transition points and providers have multiple opportunities to speak to students and their parents across Years 7 -13 to offer information on vocational, technical and apprenticeship qualifications and pathways.

The Becket School ensures that their staff involved in personal guidance and pastoral support and are up to date with their knowledge through a programme of Continuing Professional Development.
