CAREERS EDUCATION INFORMATION

Every young person needs good career guidance to make informed decisions about their future. Good career guidance is a necessity for social mobility: those young people without significant social capital or home support to draw upon have the most to gain from a strong career guidance system.

In 2013, Gatsby commissioned Sir John Holman to set out what career guidance in England would be like if it were good by international standards, resulting in the [Good Career Guidance report](#). The eight Gatsby Benchmarks defined in the report serve as a framework for world-class careers provision and have been adopted as part of the Government's Careers Strategy, statutory guidance for schools and guidance for colleges.

The eight Gatsby Benchmarks of Good Career Guidance are:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance

The Becket School is committed to fulfilling our statutory obligations concerning CEIAG (Careers Education, Information, Advice and Guidance) which includes the Gatsby Benchmarks, to maximise the life chances of our students. The school is committed to providing a planned programme of careers education, information, and guidance for all students in Years 7 to 13 in partnership with Eon, Nottingham Forest FC, University of Cambridge, Nottingham Trent University among with many others

We are committed to tailoring CEIAG activities and guidance to the needs and interests of each individual student including at age-appropriate milestones and Special Educational Needs (SEN).

There are a range of subject careers/futures resources available in the school Careers Office. We will help support in embedding careers education into their subjects or if you would like to be connected to potential guest speakers, please email Mrs Salisbury.

Right from the start of Year 7, all the way through to you leaving in Years 11/13, our students will take part in careers related learning in your subject lessons and by assemblies, trips, Stop the Clocks etc.

If you require any guidance or have any concerns, questions or suggestions please pop to the Careers Office in the LRC and see Mrs Salisbury or email careers@becketonline.co.uk
